MTB Rental general terms of use 2022 :

The payment of the rental is made when picking up the equipment, with a deposit by credit card required - All mountain bike rentals include the following safety equipment: full helmet + full back protector + knee protection + gloves and jersey – (goggles on demand)

Any breakage of material or accessories following a fall or misuse of the material will be invoiced at the recommended retail price of the damaged parts + the labor necessary for the repair

For Electric Mountain Bikes The range depends on the elevation traveled – watch the battery charge! any late return may be subject to an additional invoicing

The ski lifts allowing you to return from Val D'Isère close at noon:

Olympique gondola: closed from 12 p.m. to 12:30 p.m.

Borsat chairlift: closed from 12.30 p.m. to 1 p.m. at noon and 4.25 p.m. in the afternoon for the return to Tignes

Any return of equipment after 1 p.m. for morning rentals and after 6 p.m. for afternoon or day rentals may be subject to an additional invoicing (up to 10% to 30%).
